

Koorungal High School

Freedom to grow

Koorungal High School's strong sense of identity is built upon the passions and interests of each of our students.

In addition to being the only partially selective school in the Wagga Wagga region, we also offer exciting and innovative learning experiences to ensure all of our students have the freedom to grow.

The Koorungal High School crest features the symbols of knowledge and attainment (the flame and the star), and in keeping with those values, we aspire to offer excellence in teaching, learning and leadership.

Learning successfully is a skill used for a lifetime.

Through individual goal-setting and self-assessment, our students see and reap the benefits of a tailored and purposeful education.

Quality teaching:

- Our staff consistently pursue professional training to improve and update their expertise in programming, feedback, behaviour management, effective use of technology and the application of literacy and numeracy learning progressions.
- Through a system of explicit feedback and performance reporting, each student is clearly informed about performance, potential for improvement and mastery of their education.

Quality friendships:

- At Koorungal, we use Positive Behaviour for Learning – a whole-of-school approach for creating a positive, safe and supportive school climate where students can learn and develop to their full potential.
- All students, including those enrolled in the performing arts-related courses, participate in the school's regular productions of musicals, plays and concerts.
- Our students commit to school-wide expectations for behaviour, and successes are celebrated widely and consistently.

Quality facilities:

- Koorungal High School has substantial and well-maintained sporting fields, as well as learning and specialist spaces of outstanding quality.
- As a leader in Vocation Education and Training (VET), our school boasts a trade training centre where students can pursue a range of VET subjects, leading to substantial post-school and transition opportunities.
- Our purpose-built performing arts venue contributes to Koorungal's leadership in music, drama, sound and performance education.

As the only selective school in the Riverina region, we are proud to offer this differentiated curriculum to selected students.

The program is open for application to all Year 6 students. Details on how to apply can be found at our website:

The Public High Schools Alliance of Wagga Wagga exists as a consortium of voices advocating for and promoting the public high schools of Wagga Wagga: Koorungal High School, Mt Austin High School and Wagga Wagga High School.

We're proud of our schools, our students and our teachers.

We have many success stories, but the biggest successes are the everyday ones - large and small, both individually and collectively.

To see some of our everyday success stories, go to www.publichighschoolsalliancewagga.com
